

§412.3

(1) Final opinions, including concurring and dissenting opinions and orders made in the adjudication of cases; and

(2) Those statements of policy and interpretations that have been adopted by FCIC and RMA and are not published in the FEDERAL REGISTER; and

(3) Administrative staff manuals and instructions to staff that affect a member of the public.

§412.3 Index.

5 U.S.C. 552(a)(2) requires that each agency publish, or otherwise make available, a current index of all materials available for public inspection and copying. RMA and FCIC will maintain a current index providing identifying information for the public as to any material issued, adopted, or promulgated by the Agency since July 4, 1967, and required by section 552(a)(2). Pursuant to the Freedom of Information Act provisions, RMA and FCIC have determined that in view of the small number of public requests for such index, publication of such an index would be unnecessary and impracticable. Copies of the index will be available upon request in person or by mail at the address stated in §412.2(b).

§412.4 Requests for records.

The Director of the Appeals, Litigation and Legal Liaison staff, RMA located at the above stated address, is the person authorized to receive Freedom of Information Act and to determine whether to grant or deny such requests in accordance with 7 CFR 1.8.

§412.5 Appeals.

Any person whose request under §412.4 is denied shall have the right to appeal such denial. This appeal shall be submitted in accordance with 7 CFR 1.13 and addressed to the Manager, Federal Crop Insurance Corporation, United States Department of Agriculture, 1400 Independence Avenue, SW., STOP 0807, room 6618-S, Washington, DC 20250-0807.

§412.6 Timing of responses to requests.

(a) In general, FCIC will respond to requests according to their order of receipt.

7 CFR Ch. IV (1-1-08 Edition)

(b) Existing responsive documents or information may be maintained in RMA's field offices. Therefore, extra time may be necessary to search and collect the documents.

§ 457.1 Applicability.

The provisions of this part are applicable only to crops for which a crop provision is published as a section to 7 CFR part 457 and then only for the crops and crop year designated by the application section.

§ 457.2 Availability of Federal crop insurance.

(a) Insurance shall be offered under the provisions of this section on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, as amended (the Act). The crops and counties shall be designated by the Manager of the Corporation from those approved by the Board of Directors of the Corporation.

(b) The insurance is offered through companies reinsured by the Federal Crop Insurance Corporation (FCIC) that offer contracts containing the same terms and conditions as the contract set out in this part. These contracts are clearly identified as being reinsured by FCIC. FCIC may offer the contract for the catastrophic level of coverage contained in this part and part 402 directly to the insured through local offices of the Department of Agriculture only if the Secretary determines that the availability of local agents is not adequate. Those contracts are specifically identified as being offered by FCIC.

(c) Except as specified in the Crop Provisions, the Catastrophic Risk Protection Endorsement (part 402 of this chapter) and part 400, subpart T of this chapter, no person may have in force more than one contract on the same crop for the same crop year in the same county.

(d) Except as specified in paragraph (c) of this section, if a person has more than one contract authorized under the Act that provides coverage for the same loss on the same crop for the same crop year in the same county, all such contracts shall be voided for that crop year and the person will be liable for the premium on all contracts, unless the person can show to the satisfaction of the Corporation that the
